PROFESSIONAL EXPERIENCE

Bain & Company

Associate Consultant Intern

San Francisco, CA

Summer 2027

- Incoming Summer 2027

IronGrid (YC S25)

Operations Intern

San Francisco, CA

Jul 2026 – Aug 2026

- Sized addressable recall volume by vertical across four federal recall datasets (NHTSA, FDA device, FDA food, USDA FSIS) to determine which manufacturing segments physical AI powered inspection product could serve, and presented the market map that set sector priority for the founding team
- Analyzed 21,286 recall records, defining the categorization taxonomy and systematically directing controlled agentic classification and validation passes; shipped interactive visualizers that led the team to refocus target industry
- Ran weekly funnel experiments across connection requests, messaging, and mid-funnel follow-up, testing one hypothesis per cycle; identified inbox type, role tenure and key messaging structure as the dominant drivers across 580 prospects, and rebuilt our ICP definition and strategy accordingly

Stanford Student Space Initiative

Software Engineer – Satellites Team

Stanford, CA

Oct 2025 – Jan 2026

- Reduced packet loss and eliminated dropped satellite messages by diagnosing and fixing state validation and boot-count synchronization errors in station communication protocols, improving satellite-ground transmission reliability via Python
- Built diagnostic validation tools to accelerate root-cause analysis of satellite data transmission failures, improving live operations debugging speed, reducing incident resolution time, and strengthening overall system reliability

Laconia Capital Group

Venture Cooperative Fellow

New York, NY

Oct 2025 – Nov 2025

- Sourced 20+ early-stage startups; conducted market, GTM strategy, and competitive moat analysis to identify high-signal traction indicators such as enterprise partnerships and founder advantages, informing diligence priorities
- Authored investment memos for 2 high-potential companies and managed the deal-flow pipeline, advancing both opportunities to partner discussion and founder outreach

Carmel Vintage

Founder, CEO

Carmel, NY

Jun 2023 – Oct 2025

- Launched and scaled a solo vintage resale business end-to-end, generating \$4,000+ in revenue at ~40% profit margins by optimizing sourcing across thrift stores, estate sales, and wholesalers with distribution across Depop and local channels
- Developed a demand-driven sourcing model using real-time trend analysis across social platforms to guide inventory acquisition, increasing inventory yield ~20%, and improving sell-through velocity across 160+ vintage items sold

EXTRACURRICULAR EXPERIENCE

Sigma Phi Epsilon

VP of Philanthropy

Stanford, CA

Jan 2026 – Present

- Partnered with Camp Kaleidoscope, Stanford's oncology camp for children with cancer, to execute a chapter merchandise fundraiser; drove 116% ROI and full inventory sell-out within three hours, donating proceeds to pediatric oncology programs
- Organized a National Marrow Donor Program (NMDP) registry drive, managing logistics, outreach, and volunteer coordination to enroll ~50 new donor registrants, expanding the national stem cell donor pool for patients with blood cancer
